This is a list of items needed for **Refugee Hygiene Kits** which we will be collecting thru August 31st, and will be distributed by Mennonite Central Committee (MCC) around the world.* Thank you for limiting your generosity to the following specific items:

- 1 adult-size toothbrush (in manufacturer's packaging)
- 1 large bar bath soap (leave in wrapper)
- 1 nail clipper (good quality)
- 1 hand towel (medium weight, dark or bright colors; approx. 16 in x 26 in)
- 1 wide-toothed comb (6-8 in)

Due to strict regulations some countries have on the expiration date of toothpaste, MCC no longer asks for toothpaste to be donated with the kits. Instead, we will provide toothpaste with the kits when they ship from our warehouse.

Hygiene kits are distributed in a useful, double-drawstring cloth bag (11¾in x 16¾). These colorful bags are sewn by individuals and are helpful for refugees to place small belongings in. We have access to unlimited numbers of these bags and look forward to filling hundreds of them!!!

Bally Mennonite Church will be collecting items from the community through August 31st. The children in our Vacation Bible School going on July 9th-13th will be helping to pack any items we collect by that time as part of their giving project for the week. If you would like to assist in the filling of the bags or helping in any way, we welcome it. Or if you have a child that would like to participate in our VBS, they are welcome! Just contact the church office for more information.
